Help Us Help You:
CART wants to make its service friendly, convenient and comfortable for all of our customers. To help us, please keep in mind:

No Shows: It is disruptive to timely service when a CART vehicle arrives at a scheduled pickup and the rider is not ready or does not take the trip.

Late Cancellation: Call 24-hours in advance whenever possible. When a passenger fails to provide at least 24-hour notice of a cancellation, it not only disrupts service, but may prevent CART from being able to accommodate another customer’s request.

Incorrect Address: Service is disrupted when a passenger gives the Call Center an incorrect pickup or drop off address or fails to give notice of a change in address.

Repeated No Show, Late Cancellation or Incorrect Address infractions could result in loss of riding privileges.

We ask that all riders observe the following:
- All passengers are required to wear seat belts.
- All wheelchairs and passengers must be properly secured at all times. Passengers that are not properly secured will not be transported.
- Unsafe, discourteous or destructive behavior will not be tolerated and could result in removal from the vehicle.
- Eating, drinking, smoking or playing of loud music is not allowed. The use of iPods or other personal electronics that do not interfere with the comfort of other riders is allowed.
- Tipping of drivers is not permitted.
